92 Years of Nursing Excellence

# 1998 Mercilite Dedication:

Pam Hatley

Ann Scofield

We, the class of 1998, proudly dedicate this edition of Mercilite to two very special people.

They always have an open door and are there to listen. Whenever we have questions, need advice, or just want to talk. They are not only faculty, but friends as well.

Their confidence and professionalism are a great inspiration to us and they have taught us that nursing is more than just technical skills—a caring attitude is also important.

The smiles and laughter that follow these two ladies wherever they go is testimony to this fact.

So we, the class of 1998, dedicate this yearbook edition with much love, to Pam Hatley and Ann Scofield.

# SENIORS

We started out with questions galore  
Not knowing what was in store  
Well the months have quickly passed  
And our time to graduate is here at last  
There are some things that we hold dear  
One is that we are glad we came here  
For no where else could we find  
Faculty and Administration of this kind  
Willing to listen when we need to talk  
Yes, they have been with us on our walk  
Rocky at times for some of us you know  
But with each step we have found an opportunity to grow  
Though we couldn't see it at the time  
Everything eventually turned out just fine  
And looking back we want to say  
Thank You Mercy family for showing us the way.  
-Rosanne Seufert
